We are hoping that our next General Membership meeting might be held in June depending on what measures are in place and what meeting places are open. At this time, we are hopefully optimistic, but we will give more details at the end of May. We will continue to keep you updated, keeping in mind that we will always put our members safety first. No one knows exactly what June will look like yet, so we will watch the news and update you ASAP.

Charity News 2020

Do you have a favorite **local charity** that you would like us to consider? Please talk to their leaders and forward all details to the executive for consideration. Charity leaders must be available to attend our December meeting to accept our donation and share charity details. Once we have all the submissions our executive team will decide.

Associate Committee

We have started to fill our 2020 sponsor dates, so if you are interested in presenting, then please do not hesitate to contact our Associate representative, **Pat McKenzie** as soon as possible. If you have questions, then we are here to help you succeed. Thank you to all the great sponsors that have already stepped forward and our membership for their continued support

OUR FAVORITE CATERER

Belmont Catering is open for pickup orders Wednesday and Saturday. Please consider making a order and support this fine family business. Facebook@Belmonttownrestaurant andcatering. 519-644-1726

April 2020 Newsletter. We understand that many of us are going through some unimaginable situations right now and we want you to know that we are there for you. If there is any reason that you need some support then please reach out. There are a few issues that we want to cover in our newsletter, but first of all we want to remind everyone that if you can support the TMTA family of businesses, then please do. One other important issue that we have seen is the number of scams that are trying to take advantage of the COVID situation. If you are contacted by anyone looking for money then please telephone your family or friend personally and check out the request. The scammers are getting very good at being believable, so please check everything out thoroughly. They have been known to use postal mail, phone calls, text and email, so you can not be too careful. Basically, if **you** did not make the telephone call to your bank, friend, family member, charity, government or any other business, then do not give out any personal information to anyone who contacts you. They use all the logos and paperwork of the real business to make everything look real, but it is a scam. One last item that we would like to talk about is the fact that many people have had sad ending from a COVID-19 infection and we want to say how sorry we are if you have lost loved one to this terrible virus. Please be safe everyone and we will see you soon.

Our History

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share, then please contact Don Clarke or Harry Beukeboom

GOLF NEWS

We know that golf clubs are opening soon and there might be a few new distancing rules in September, but we want you to know that we are fully committed to our **2020 TMTA London Golf Tournament**. It will be held September 16th, 11am at **Pine Knot Golf and Country Club**. Ticket prices may change depending on golf club rules at that time. We know it will be an amazing golf day with all our friends of the TMTA, so please reserve your tickets early so you do not miss out.

MEMBER NEWS

Danny has sent out the **2020 association membership** invoices and he is asking members to please update your invoice information and send it back to our email. If you have not received your 2020 invoice, then please let us know right away. Paul Scapinello is also requesting members to update their home information for the Health and Happiness committee. Thank you again for keeping our membership healthy.
