Cummins Canada Limited will be Hosting the TMTA Meeting

Tuesday November 14th, 2023

Dustin Perkins, Territory Account Executive, is our guest speaker and will inform us on the upcoming emissions regulations and their impacts on the Cummins product plan. He will also share with us what Cummins is planning for hybrids, alternative fuels and EV. This will be an amazing opportunity to connect with Dustin and get firsthand information about what is new at Cummins.

Everyone is welcome to be part of this informative evening, but we are asking participants to please confirm their attendance, so we can be prepared with seating and a fantastic full course meal. There is no fee for the meeting or meal.

The meeting will be held at the Marconi Club, 120 Clarke Road, London, ON. Our meet and greet will **begin at 6:00 pm, a fantastic meal at 7pm**, followed by the Cummins Canada **presentation**.
