December 11th, 2018 is our annual Christmas get-together and ladies night to be held at **Lamplighter Inn**. Meet and greet at 6:00 pm, followed by a fantastic meal at 7 pm. Please plan to attend and send us a quick note to let us know how many people will be joining you. The association is covering the meal expense for your spouse, so there will only be a \$25 fee for your meal and that will include a free ticket in our raffle. We have a slew of cash gifts, plus many other gifts from our great sponsors. See you soon. Please RSVP for our meeting and plan to attend to support our association.

Member News

We are excited to report that we have already secured sponsors for some 2019 meetings and our associate committee is eager to fill the dates that are open. Please note that the **2019 membership invoices** have been sent. Please check your email and let us know if you did not receive it. We depend on clear information, so please update or confirm your details with your payment to us. Thank you again for a strong membership.

THOUGHT FOR THE MONTH

There are many gifts under the Christmas tree, but the best one is the gift of your friendship. Thank you for always being such a good friend. Merry Christmas!

We were thrilled to welcome **Dowler-Karn** to our November meeting and we are elated to report that we had a packed house. **Neil Flegel** and **Mark Hall** introduced their amazing list of speakers and they presented some of the newest breakthroughs that are happening at **Imperial Oil** and **Exxon Mobil**. **Stephanie Jaworski** and her team had some amazing facts about the new **SYNERGY Diesel Efficient**. They have tested results over millions of miles to prove that their new premium diesel improves fuel mileage, cleans the fuel system and lowers emissions. Challenger Motor Freight is a happy customer that is happy to share their findings on this amazing product because they have found 2% better fuel mileage and a whopping 11% less emissions. To close, Mark Hall talked about why they supply the best lubricant technology on the market today. Mobile Delvac, Delvac 1 or the Delvac 1300 provides the best combustion seal, anti-wear properties and fuel saving technology of any oil. Call Dowler-Karn to get details and start being ESSO efficient.

Our History

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share then please contact Don Clarke and Harry Beukeboom

Our Charity 2018

Alzheimer Society Southwestern Ontario

Has been chosen as our 2018 TMTA charity. They will be attending our Christmas meeting to give us information and receive our donation. Their speaker for the evening will have an informative presentation about the terrible

Apprenticeship Needs

Employers are needed **now** to give input to Fanshawe College and help the students in the transportation sector succeed. It only takes a little bit of your time to give valuable input in this critical year. Please contact Trevor Williams today at twilliams@fanshawec.ca

EMAIL Update

Our Website host made some big changes and we believe we have caught up on all the new updates. We have sent out our October newsletter and followed up. We do still ask you to connect with other members and ask them if they have received their newsletters

Next Directors' Meeting

December , 2018

General Meeting Reminder

Scheduled for 2nd Tuesday of each month except for the summer months
