We have decided to put all our general membership meetings on hold until the fall of this year. We will keep our members updated on a regular basis with our newsletter and any important news will be sent by email. Our sponsors and members health and safety will always be our highest concern and we do not want to put anyone at risk of catching this terrible virus. Please feel free to contact any executive member with questions. <https://covid-19.ontario.ca/>

### **Charity News 2020**

Do you have a favorite **local charity** that you would like us to consider? Please talk to their leaders and forward all details to the executive for consideration. Charity leaders must be available to attend our December meeting to accept our donation and share charity details. Once we have all the submissions our executive team will decide.

### **Associate Committee**

At this time all 2020 sponsor dates are on hold. We may have a sponsor date later in the year depending on provincial regulations and the advice of our health care officials. We are also looking at having a virtual meeting and we will let you know more details during the summer. Our Associate representative, **Pat McKenzie** is always there to answer your sponsor questions

### **OUR FAVORITE CATERER**

Belmont Catering is open for pickup orders Wednesday and Saturday. Please consider making a order and support this fine family business. Facebook@Belmonttownrestaurant andcatering. 519-644-1726

This is an unprecedented time for all of us and we understand that many of you are going through some very difficult circumstances.

We are there for you and if there is some support that we can offer, then please reach out to your executives. We have a lot of resources and contacts in the community and if we don't have the answer, we can send a note to the membership and find an answer for you. We will not share personal information and we will help where we can. Please continue to support the TMTA family of businesses as much as possible. So many of our members and their friends are making sacrifices and risking their health to keep transportation equipment on the road and moving essentials. We cannot say enough about how much we appreciate everyone that is going to work to supply us with our necessities and the outstanding commitment of health care professionals. They put their lives and the health of their families on the line for Canadians and we acknowledge their efforts and what they do for us. Please remember that there are a number of scams that are trying to take advantage of the COVID situation. If you are contacted by anyone looking for money or any personal information, then it is a scam. They have been known to use postal mail, phone calls, text and email, so you can not be too careful. Basically, do not give out any personal information to anyone who contacts you unless you called them first. Please stay safe and healthy. We will see you soon.

### **Our History**

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share, then please contact Don Clarke or Harry Beukeboom

### **GOLF NEWS June 2020**

Golf clubs are open and even though we do not know what distancing rules will be in place in September, we want you to know that for our part we remain committed to our **2020 TMTA London Golf Tournament** which is scheduled for 11am, September 16th, at **Pine Knot Golf and Country Club**. Ticket prices may change depending on golf club rules at that time. We will have regular updates during the summer to let you know what Pine Knot has planned for us. We will hope for the best and relay info as it unfolds.

### **MEMBER NEWS**

Danny has sent out the **2020 association membership** invoices and he is asking members to please update your invoice information and send it back to our email. If you have not received your 2020 invoice, then please let us know right away. Paul Scapinello is also requesting members to update their home information for the Health and Happiness committee. Thank you again for keeping our membership healthy.
