THOUGHT FOR THE MONTH

"Spring won't let me stay in this house any longer! I must get out and breathe the air deeply again." --Gustav Mahler

The **LEPC (Local Employment Planning Council)** sponsored our April meeting to keep us up to date on all the great advantages of hiring and supporting apprentices. **Martin Withenshaw** is **Project Director** of **Elgin Middlesex Oxford Workforce Planning and Development Board** and he was promoting their website and program that they call the **Apprenticeship Toolbox**. It is an online resource for employers that helps to inspire them to hire more apprentices. The tool will help guide employers with money and resources, so they can assist their apprentices to complete their apprenticeship. Martin took the time to walk us through their information tool and answer all our questions. He explained that there are some real cash incentives that the government has put in place to help employers and he is there to assist with the details. Check

www.apprenticeshiptoolbox.com

to see all the exciting advantages that are offered and contact **Martin** if you need any assistance. 519-672-3499 extension 106
