We have decided to put all our general membership meetings on hold until further notice. We will keep our members updated with our newsletter and any important news will be sent by email. Our sponsors and members health and safety will always be our highest concern and we do not want to put anyone at risk of catching this terrible virus. Please feel free to contact any executive member with questions.

Charity News 2020

We have some big news about our charities for 2020. This year we had 3 charities that were submitted and the executive has decided that we will donate to all three. We will showcase a message from each charity for the next three newsletters starting with Parkinson's of Southwestern Ontario. Thank you Frank Callipari for nominating your charity of choice to us for consideration

Associate Committee

At this time all 2020 sponsor dates are on hold. We may have a sponsor date later depending on provincial regulations and the advice of our health care officials. Our Associate representative, **Pat McKenzie** is always there to answer your sponsor questions

OUR FAVORITE CATERER

Belmont Catering is open for pickup orders Wednesday and Saturday. Please consider making a order and support this fine family business. Facebook@Belmonttownrestaurant andcatering. 519-644-1726

We want our membership to know that we are trying to share information and network the best we can under the current circumstances. We are expanding our newsletter to keep you informed on what you would like to share with the membership. That is why you will have to scroll down **4 pages** of shared information. We also want you to know how much we care. We understand that this a very uncertain time and it has really had an extreme affect on how we deal with everything that was our normal way of life. We also recognize that many of our TMTA friends have had to endure some terrible changes and we want to help when and where we can. If you need something and feel that you cannot find the solution, then please reach out to one of your executive members. Our association has a great deal of knowledge and talent in the membership and the executive are happy to connect you to someone that can help. We may not be able to have our face to face meetings at this time, but our association is an amazing group of people and we are there for you. We will close off this message from the executive by saying thank you to all the workers that are out there everyday trying to keep our country moving forward and a special thank you goes out to all the medical staff that are fighting this terrible virus daily. They are putting their personal health and their family's health at risk everyday and we appreciate what they do.

Our History

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share, then please contact Don Clarke or Harry Beukeboom

EXECUTIVE COMMITTEE

Please welcome **Angela Parsons** to the Safety Committee to work with Tom Cole. Angela has a passion for workplace safety and transportation and has years of experience in the industry. Her current position is with our friends at **Fleet Master** as Director of Operations. Because of her extensive connections to the industry, Angela has also agreed to assist Pat McKenzie on the Associate Committee. Thank you Angela for being a part of our executive.

MEMBERSHIP NEWS

Danny, Jim and your executive team want you to know that we are in very good financial health. Your executive committees will always support our members and we have decided that all paid membership fees will cover 2020 and 2021. Please do not worry. All members will be kept in good standing until you are able to pay your membership fee. If you have any questions, then please reach out to Danny Devincenzo

TMTA London Charities for 2020

Thank you note from the Parkinson Society Southwestern Ontario

Firstly, we want to say thank you to TMTA London Region and their members for the support! At Parkinson Society Southwestern Ontario, we're dedicated to providing the best, most supportive, and most valuable community for all those with Parkinson's who call Southwestern Ontario their home. Our team of supportive, kind, and knowledgeable staff are dedicated to the community and to providing the resources that are needed and valued by all of the amazing people we aim to help. We do this through education, support services, advocacy and research. Our unwavering goal is, was, and always will be to create the very best community for everyone living with Parkinson's in Southwestern Ontario. The \$500 donated from TMTA will be of great support in the coming year. Once current pandemic restrictions are eased and it is safe to do so, we will be looking to bring our support groups back together from being virtual to in person. The \$500 will help us put together Covid Kits to ensure that each of our support groups have necessary PPE and items they need to meet together. Support Groups provide an opportunity for people facing similar symptoms and struggles to come together to support one another. As all of us have experienced, virtual meetings are a great supplement in times of need but they do not replace real, in person interaction and support. We look forward to when we can bring people back together, safely and thank TMTA for this donation to help us do that when the time is right. Thank you very much for your support of people living with Parkinson's in Southwestern Ontario. We are truly grateful.

Take good care,

MEMBER COMPANIES MOVED

We are excited to tell you about a few of our long standing members that have moved their location. Please note that their phone numbers have not changed. **London Truck and Trailer** has moved to a much newer building at 562 Sovereign Rd, London, ON N5V 4K6. Todd and Wendy are thrilled about their bright shop and clean offices. Next we need to let you know that **WAJAX** on Industrial Rd has moved to 359 Tartan Dr, London, ON N6M 1B1. They have expanded their operation with an impressive new shop and all the facilities and personal to support the operation. Richard DeGraaf and Jeff Topham will have some more details to share soon.

HEALTH & HAPPINESS

Paul Scapinello wants to be able to share good news items. If you had a new baby, marriage, grandchild or any other personal good news, then please let Paul know today. A few new retirees that will be happening at Fanshawe College are our friends and wonderful supporters of our association. Don Bester and Hans Reimer. All our best to them.

THOUGHT FOR THE MONTH

"It is not how much we do, but how much love we put in the doing. It is not how much we give, but how much love we put in the giving." --Mother Teresa

Please stay healthy and embrace all the happy moments you are having with friends and family. We are continuing to help our members connect and we want to share anything special that is going on at your company, such as promotions, new employees or a special project that you would like to share to the membership. We showcase our member companies that are offering a discount or special offer to our members and we know our member companies are at work and we strive to support them at every opportunity. Something big that happened to our friend **Ron Castaldi** at **Partsmaster** is that the company was acquired by **Lawson Products** and their product line has now doubled. We have added their newest sale flyer to the newsletter. To request an item, just connect with Ron to make your order at 1-519-358-2343
