Our next **General Membership meeting** is our annual **Trade Show** at the Fanshawe College on **October 10th**. We are hoping on it being better than ever and we have implemented some improvements to help our sponsors. Please let us know now if you would like a space in the trade show to showcase your newest offerings. **Fanshawe College** is sponsoring the evening, so there will be **no charge** to anyone. Please invite as many people as you would like, but we need to know your numbers, so we are prepared with the catered food service. See you there.

We need your support to make this event a success, so please make every effort to come out and support or presenters. Thank you

Our Charity 2017

Our 2017 TMTA London charity is **Streetlight** and their Director **Justin Dimoff** joined us at the golf tournament to give us some details on how **Streetlight** helps people in downtown London with food, support and direction when they need it most. They even have a work project of where people perform electronic recycling

THOUGHT FOR THE MONTH

"If you limit your choices only to what seems possible or reasonable, you disconnect yourself from what you truly want, and all that is left is a compromise." - Robert Fritz

The 2017 TMTA golf tournament was a fantastic event and we could not be happier with how well it was organized. **Pine Knot** and their staff had the course in top condition and worked to have everything in place for our sold out tournament. We had perfect weather from the start of the day and all of our TMTA volunteers worked hard to take care of our golfers. We must take our hat off to all the people that helped out to make this another great day for the TMTA London Association. First we have to say a special thank you to our own TMTA executive members that volunteer their time to make events like this a success. Thank you to our friends and family volunteers that take time and energy to help our association succeed. And finally a heartfelt thank you to our sponsors. Without all of us working together we would not be able to accomplish all the wonderful events. It takes a great group of caring people to make this association what it has become today and we are proud to say "WE ARE THE TMTA". The final bonus to the day was that we raised \$2000 for our 2017 charity. Thank you

SAFETY UPDATE NEWS

Tom Cole has come aboard the executive to keep us up-to-date on all the latest safety news. Thank you Tom for your time

Our History

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share then please contact Don Clarke and Harry Beukeboom

Trade Show News

Only a week away and we would like all of our members to come out and support the vendors at the trade show. TMTA London Region and Fanshawe College have a great evening planned so don't miss out.

We are planning on some great tours in 2018. There has been talk about the Fanshawe College aviation building and all the new additions that they have acquired. If you have a suggestion for a tour or would like to know about some of the future events, then talk to Don Clarke and Scott Bowie

GOLF NEWS

Our plans for the **2018 Golf Tournament, September 12th at Pine Knot** is at **11am**. Watch for the golf tickets sales in the new year, so you don't miss out.
