We have decided to put all our general membership meetings on hold until further notice. We will keep our members updated with our newsletter and any important news will be sent by email. Our sponsors and members health and safety will always be our highest concern and we do not want to put anyone at risk of catching this terrible virus. Please feel free to contact any executive member with questions.

Charity News 2020

Do you have a favorite **local charity** that you would like us to consider? Please talk to their leaders and forward all details to the executive for consideration. Charity leaders must be available to attend our December event if we are able to have a meeting to accept our donation and share charity details. Once we have all the submissions our executive team will decide. We would really like to hear from you soon.

Associate Committee

At this time all 2020 sponsor dates are on hold. We may have a sponsor date later depending on provincial regulations and the advice of our health care officials. Our Associate representative, **Pat McKenzie** is always there to answer your sponsor questions

OUR FAVORITE CATERER

Belmont Catering is open for pickup orders Wednesday and Saturday. Please consider making a order and support this fine family business. Facebook@Belmonttownrestaurant andcatering. 519-644-1726

We hope that everyone is coping in our current pandemic and staying healthy. We have a few ideas on how our association can help with our members connecting and hearing about what is going on within the membership. One of our plans is to showcase our member companies that are offering a discount or special offer to our members. We want our membership to know that our member companies are at work and that we need to support them at every opportunity. If you have a news article or special offer that you would like us to pass onto the membership then please send us a little note and we will showcase each and every company that responds. Thank you members. Below we are highlighting TMTA offers .

Canada's #1 Rust Protection Company.

\$15 off plus a car care item.

10%-20% off retail price

receive 20% off retail price

Fleet Master 5% off on all parts sales (even special order)

HEALTH & HAPPINESS

We want to be able to share a few good news items. **Paul Scapinello** has had a knee replacement, is recovering well and smiling. We also had a wonderful conversation with **Dave Salhani**. He wanted to let his friends know that he is feeling good and is happy to report that he is on his way back to normal.

Our History

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share, then please contact Don Clarke or Harry Beukeboom

OUR PRESIDENT

We have to take this moment to tell you about a change that is happening to our executive. **Don Vertolli** has decided that it is time for him to retire as our association president. We cannot say how much we appreciate his wisdom and guidance in the past years. He is always there to help and has always shown that our association and the membership was his top priority. He has a heart of gold and even though we will miss him as our association president we will take some solace in knowing that he has taken the coveted seat as our past president. Thank you Don for all you have done for our association and for being the voice of reason when we needed it. All our best to our dear friend and mentor.

MEMBER NEWS

Danny, Jim and your executive want you to know that we are in good financial health. Your executive team will always support our members and we have decided that all paid membership fees will cover 2020 and 2021.
