Our next get together at our annual golf tournament, which this year will be held at Pine Knot. We have quite a day planned for everyone that reserved their tickets and we will give you more details in the September newsletter.

Our next **General Membership meeting** will be our annual **Trade Show** held at the Fanshawe College. It will be bigger than ever and we have implemented some improvements to help our sponsors. Please make sure you hold the date of October 10<sup>th</sup> and let us know as soon as possible if you would like a space in the trade show to showcase your newest offerings. Fanshawe College is sponsoring the evening, so there will be no charge to anyone. Please invite as many people as you would like, but let us know your numbers, so we are prepared with the catered food service. See you there.

### **Health, Care and Happiness**

We are proud to announce that **Bob and Joanne Chatfield** are celebrating their 65<sup>th</sup> wedding anniversary September 9<sup>th</sup>, 1-4pm at the Byron Legion. All are welcome

### **Our Charity 2017**

Our 2017 TMTA London charity is **Streetlight** and we will have **Justin Dimoff** their Director joining us at the golf tournament.

### **THOUGHT FOR THE MONTH**

“I fear the boredom that comes with not learning and not taking chances.”- Robert Fulghum

Our last meeting was sponsored by **Cervus Equipment Peterbilt London**. Cervus went out of their way to make sure that we had a fantastic meeting. They took the time to have a great meet and greet before the meeting in front of the college with their staff and showed off some of their newest trucks. **Peterbilt** has always been a leader in the industry and **Nathan Mossey, Parts Operations Coordinator** gave us some details on the improvements that have been implemented in their trucks and their engines. Their warranty and attention to detail are second to none and with the huge Cervus network you know that they are there for you. Nathan gave us some details on the reliable MX engines and the new **EPIQ** package that will give unmatched fuel savings. In closing Nathan shared information on the newest remote diagnostics called **SMARTLINQ**. With **SMARTLINQ** you have instant, at-a-glance fleet health with detailed diagnostics and recommended actions to keep your fleet working at peak efficiency. Thank you Nathan and all of you team for a great evening. We also want to say thank you to **Bill Mairleitner** of Cervus Peterbilt London for all your effort in preparing this meeting

### **Our History**

The executive team has been working with our records and senior members to detail our history back to 1947. They are compiling pictures and membership information to add to the historical data. If you have information to share then please contact Don Clarke and Harry Beukeboom
