We have decided to put all of our general membership meetings on hold until further notice. We will keep our members updated with our newsletter and any important news will be sent by email. Our sponsors and members health and safety will always be our highest concern and we do not want to put anyone at risk of catching this terrible virus. Please feel free to contact any executive member with questions.

### **Charity News 2020**

Do you have a favorite **local charity** that you would like us to consider? Please talk to their leaders and forward all details to the executive for consideration. Charity leaders must be available to accept our donation and share charity details. Once we have all the submissions our executive team will decide which charity we will support.

### **Associate Committee**

At this time all 2020 sponsor dates are on hold. We may have a sponsor date later in the year depending on provincial regulations and the advice of our health care officials. We are also looking at having a virtual meeting and we will let you know more details during the summer. Our Associate representative, **Pat McKenzie** is always there to answer your sponsor questions

### **OUR FAVORITE CATERER**

Belmont Catering is open for pickup orders Wednesday and Saturday. Please consider making a order and support this fine family business. Facebook@Belmonttownrestaurant andcatering. 519-644-1726

While COVID-19 is at the front of every news report and we are all dealing with it in our own way. We want you to know that your association is always there for you. The executive team will continue to support our members and friends of the association in any way we can. If you need anything, then please reach out to your executives. We have a lot of resources and contacts in the community and if we don't have the answer, we will find an answer for you. We will not share personal information and we will help where we can. Please continue to support the TMTA family of businesses as much as possible. Many of our members are making sacrifices and risking their health to keep transportation equipment on the road and moving essentials. As restrictions are lifted and businesses are opened, we extend our gratitude to everyone that is going to work to supply us with our necessities and the outstanding commitment of health care professionals. They put their lives and the health of their families on the line for Canadians and we acknowledge their efforts and what they do for us. Please remember that there are a number of scams that are trying to take advantage of the COVID situation. If you are contacted by anyone looking for money or any personal information, then it is a **scam**. They have been known to use postal mail, phone calls, text and email, so you can not be too careful. Basically, do not give out any personal information to anyone who contacts you.

### **GOLF NEWS June 2020**

We are sorry to say that our **TMTA London Golf Tournament is cancelled for 2020**. The good news is that **Pine Knot Golf and Country Club** has offered a special deal to our golfers for September 16<sup>th</sup> at 11am tee times. TMTA members and friends will be able to golf for \$50 which will include tax and a hot dog or sausage. All bookings will be through Pine Knot at (519) 268-3352. Press #1 for Proshop and let them know that you would like a tee time for September 16<sup>th</sup> at 11am and you are requesting the TMTA rate and you will be paying them at the course. Also please send us a note to our email **as soon as possible**, so that we can let Pine Knot know the number of people that will be attending. Be safe and have fun.

### **MEMBER NEWS**

We have decided that all **2020 association membership fees** will cover your membership for 2020 and 2021. If you have paid your invoice then that will cover both years. If you have not paid, when we receive your membership fee you will be paid until December 2021. Please update your information and send it back to our email. Paul Scapinello is also requesting members to update their home information for the Health and Happiness committee. Thank you again for keeping our membership healthy.

### **Next Directors' Meeting**
