Canadian Treads Corp will be Hosting the TMTA Meeting

Tuesday June 13th, 2023

Our Vice President, Scott Bowie has arranged a tour of the Michelin Retreading Plant in Ingersoll. TIRECRAFT/ Canadian Treads has opened a new Michelin Retread Technologies plant in Ingersoll, Ontario. The facility encompasses about 200,000 square feet and houses Canadian Treads State-of-the-art Michelin Retread plant, which features both PreMold and Custom Mold technologies, IMI Robotic Wheel Painting, the first-ever “Aluminator” for refinishing Aluminum Wheels, and a mounted Wheel Facility. You will be absolutely amazed at the technology that will be presented to us on this tour.

Everyone is welcome to be part of this informative evening, but we are asking participants to please confirm their attendance, so we can be prepared with the tour groups and a fantastic meal. There is no fee for the tour or meal.

The meeting will be held at the Canadian Treads, 311 Ingersoll Street South, Ingersoll, ON N5C 3J7. Our meet and greet will **begin at 6:00 pm, a tour at 6:30, then a meal at 7pm**

Please contact us by email to the addresses below or call a **TMTA director**.
